

Radically reduce the use of chemicals in your home and improve quality of life with **Norwex**! Introducing...

## The **Norwex**® Household Package Just **ADD WATER!**

### ENVIRO CLOTH..... *Cleans*

Use it **EVERWHERE** to remove dirt, grease, grime **AND 99% bacteria** off any washable surface with **JUST WATER** with proper care and use instructions. **HOW?** It's thanks to the unique Norwex Microfiber with the BacLock micro-silver antibacterial agent.

**Wet** the EnviroCloth **and wipe** any washable surface like kitchen counters, tables, appliances, bathroom sinks, showers/tubs, lawn furniture and more. Take chemical household cleaners and disinfectant wipes off your shopping list, saving you **TIME** and **MONEY!**

### WINDOW CLOTH..... *Polishes*

Use it any time you want a surface to **SHINE!**

**Clean** with a **WET EnviroCloth**, then **DRY with the Window Cloth** for a streak free shine! Use this dynamic duo on windows, mirrors, chrome, stainless steel, granite, shower doors and **MORE!** Cleaning has never been this **FAST** and easy! Take more household cleaners and paper towels off your shopping list!

### DUSTING MITT..... *Dusts*

Use **DRY** for quick dusting in your home—including blinds and other hard to clean areas. Rub against itself to statically charge the mitt.

Use **WET** to clean your window screens in a flash!

*Sound too good to be true? IT'S EVEN BETTER!*

**Clean your entire home without chemicals in record time with the Household Package.**

**Microfiber Care:** Rinse the cloths and hang to dry between uses. The BacLock micro-silver antibacterial agent in the cloths helps to inhibit bacterial growth and mold and mildew odours as it dries. **LAUNDRY weekly with a natural detergent.** [Upgrade to Safe Haven 5 Set for added savings](#) to include the amazing **Norwex Ultra Power Plus Laundry Detergent** and the **Cleaning Paste**, our versatile "Elbow Grease in a Jar"!
